**Tuesday July 19 - FastTracks (Pre-Conference Intensives) — Held at Marriott St. Louis Grand Hotel 8:30 am – 3:30 pm**

Below are some Pre-Conference Intensive available. They are not included in the regular registration. There is a SEPARATE FEE for each. See Registration Form for pricing. For Details, see FastTrack under Event Detail on the website.

<p>FastTrack: Accounting</p>	<p>Vonna, Laue CPA, Facilitator</p> 	<p>Vonna Laue was a partner for a national CPA firm serving not-for-profit entities. Subsequently, she held an executive role with ECFA. She is currently serving ministries through financial and operational consulting. She has a B.S. in Accounting and an MBA in leadership and HR management. She has served on national and international boards and has published articles in multiple national publications as well as co-authored three books. Her speaking experience includes a variety of regional and national conferences.</p>
<p>FastTrack-Executive Pastor:</p>	<p>Matt Gates, CCA Facilitator</p> 	<p>Matt Gates is executive pastor at Victory Family Church where he has served in several capacities since 2000. For the first 18 years Matt was the church business administrator. Matt served as the president for the Western Pennsylvania Chapter of TCN. In 2020, he was awarded the Maurice Saucedo Award as the church business administrator of the year. Matt has been married to Laura for 22 years and has two children.</p>
<p>FastTrack: Church Facilities</p>	<p>Paul Johnson Facilitator</p> 	<p>Paul Johnson is an emeritus member of The Church Network. He has been a CCA since 1992 and a member of The Church Network since 1985. He is a past president of the Association’s Board, and he has held many offices with the association. Paul was associate minister of administration at First Christian Church and minister of administration at Plymouth Congregational Church, both in Des Moines, IA. He was minister of business administration at Wilshire Baptist Church in Dallas for eight years prior to retiring in 2014. Paul’s years of experience in facility matters and his understanding of the relationship between administrators and facilities staff make him an excellent facilitated of the Church Facilities Network FastTrack.</p>
<p>FastTrack-Human Resources</p>	<p>Sherrie Turner, CCA, SPHR, SHRM-CP, Facilitator</p> 	<p>Sherrie Turner was a corporate executive in two Fortune 500 companies prior to serving as the business operations director for Calvary, Chapel Newport News. Sherrie is a graduate of Stanford University in Organizational Behavior /Industrial Engineering and has over 25 years of experience in Program Management, HR, and Training. She is president of the TCN Tidewater chapter and is passionate about equipping churches with the tools necessary to enrich ministry, empower people, enhance stewardship, and encourage ministry excellence</p>

**FastTrack: Leadership**

**Denise Craig, CCA  
Facilitator**

**Denise Craig** is Past President of the TCN Board President of TCN and is the executive pastor of operations at Abba’s House ensuring the day-to-day operations of the church run smoothly. Trained at Southwestern Seminary, she is a CCA. She serves on the ECFA Church Board of Reference, on the Editorial Advisory Panel for *Church Executive Magazine*, and on the Executive Board of the Hamilton County Baptist Association.

**Tuesday, July 19 - Launch – General Session I — America’s Center Ballroom 5:30pm – 6:30pm**

**Keynote: Recovering our Humanity in Ministry**

Ministry demands us to try to know everything, fix everything, and be everywhere at once. The pace pushes us to do large famous things as fast as we can. But most things that matter in ministry call for small mostly overlooked things over a longer period of time. Jesus frees us to embrace the small steps of our big purpose.

**Dr. Zack Eswine**

**Dr. Zack Eswine** is Lead Pastor at Riverside Church (EPC) in Webster Groves, Missouri, where he has served since 2008. In addition serves as an adjunct professor at Covenant Seminary. In addition to his service at Covenant & Riverside Church, Dr. Eswine and his wife, Jessica, serve ministry leaders and those who doubt by opening their home and pursuing the wisdom of Jesus for the questions of life.

**Wednesday, July 20 — General Session II — America’s Center Ballroom 8:30am – 10:15am**

**Keynote – Leading in Uncharted Territory**

If there is anything that we have learned in the past 2 ½ years it is that there is no way to predict the future and that the world in front of us is nothing like the world behind us. Faith leaders are needing to learn to develop a deeper understanding of how the unchanging Gospel requires us to lead change. How do we lead when we go “off the map”?

**Tod Bolsinger, PhD,  
MDiv**

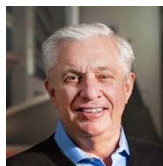

**Tod Bolsinger** is the co-owner and principal of AE Sloan Leadership, Inc., an executive coaching and consulting firm that works with church, non-profit, and marketplace leaders in leading change. He is also the executive director of the DePree Center Church Leadership Institute, a Senior Fellow of the DePree Center for Leadership, Associate Professor of Leadership Formation at Fuller Theological Seminary. He was the founder of the Fuller Leadership Platform and served as a vice president of Fuller Seminary for six years. Prior to his educational career, he served as a pastor for 27 years. He is the author of five books: *Canoeing the Mountains: Christian Leadership in Uncharted Territory*, *Leadership for a Time of Pandemic: Practicing Resilience* and most recently, *Tempered Resilience: How Leaders are Formed in the Crucible of Change*.

**Wednesday, July 20 — A Workshops — 1:00pm – 2:45pm**

**A01 (E) – Grow Your Impact**

Staying current with today’s trends in church architecture requires adapting while keeping the spirit of your church and maintaining values that are important to your congregation. Something as small as painting the exterior, or installing a new sign, creates the impression that you project not just to your members but to potential guests. In this session, we will discuss some different ways to grow your

**Charlie Daniels**

**Charlie Daniels**, owner and founder of Churches by Daniels, has worked in construction his entire life. While attending Rhema Bible College in the 1980s, he was asked to use his background in construction to manage their project: a 250,000 square-foot, five-thousand-seat sanctuary and Churches by Daniels was born. Charlie is licensed and bonded in 48 states and is dedicated to being the premier resource to pastors and staff, utilizing his experience to help churches “rise up and build.” Neh. 2:18

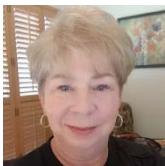

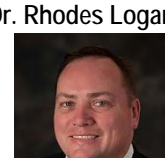

**Aaron Blair**, chief of operations, at Churches by Daniels, is known for going beyond the status quo to foster creative strategies in support of clients and projects. Prior to joining Churches by Daniels, Aaron amassed

**Wednesday, July 20 — B Workshops — 3:45pm – 5:30pm**

<p><b>B01 –Proven Answers to Rising Healthcare Costs</b>                      Are you ready to explore Healthcare from a biblical perspective? Bring your HR &amp; CFO to this talk! We explore how partnering your plan with Christian Healthcare Ministries can provide Platinum level healthcare for employees at a modest cost. CHM is the longest-serving Christian health cost sharing ministry, now in its 40<sup>th</sup> year, with hundreds of churches enrolled as groups. The legally compliant ACA plan is a proven win with churches across the US.</p>	<p><b>Luke Friesen</b></p> 	<p><b>Luke Friesen</b> is senior director of operations for Watermark Community Church, a megachurch in Dallas, Texas. His areas of leadership include Finance, HR, Facilities, and IT. Before Watermark, Luke spent seven years as a corporate performance improvement consultant with Alvarez &amp; Marsal, helping organizations solve complex problems and deliver high-value projects. Luke has an MBA from Texas A&amp;M University and a bachelor’s degree in business administration from John Brown University.</p>
<p><b>B02 – Mastering Sensitive Board Meetings (CPE)</b>                      You sweat just thinking about the next board meeting - in which you must address the senior pastor’s compensation package. On top of that, your board is considering having a board member’s construction company build your new classroom building. And you just learned that a board member’s adult son (an employee of the church) violated policy about texting with minors. We will discuss sensitive and critically important board topics and how to navigate them masterfully.</p>	<p><b>Michael Batts, CPA</b></p>  <p><b>Mike Lee</b></p>  <p><b>Kaylyn Varnum</b></p> 	<p><b>Mike Batts</b> Is the managing partner of Batts Morrison Wales &amp; Lee (BMWL) and has more than 30 years of experience advising churches, ministries, and nonprofit organizations in the areas of board governance, financial oversight, tax compliance and strategy, risk management, corporate structure, international activities, and other related topics. Mike has been inducted into TCN’s Hall of Fame and has authored several books including <i>Church Finance</i>, <i>Nonprofit Finance</i>, and <i>Board Member Orientation</i>.</p> <p><b>Mike Lee</b> is a partner and the national director of audit and assurance services for BMWL. He has more than 20 years of experience in auditing nonprofit organizations, analyzing internal controls, and other related areas of practice. He is a contributing editor of BMWL’s nonprofit feature articles and special alerts, which provide news related to current developments and perspective on issues impacting nonprofits. Mike has been a speaker on nonprofit accounting and auditing issues at both the local and national levels.</p> <p><b>Kaylyn Varnum</b> is a partner and the assistant national director of tax services for BMWL. She has oversight responsibility for the firm’s tax practice, with expertise in federal, state, and local tax issues affecting nonprofit organizations and their affiliates. Kaylyn is a member of the Christianity Today Church Law &amp; Tax 2022 Advisors-at-Large board. She has also been a speaker on nonprofit taxation issues at both the local and national levels.</p>
<p><b>B03 (E) – Advanced Budgeting in Uncertain Times (CPE)</b>                      One of the most daunting tasks facing church administrators is completing the annual budget. If you dread the process of creating a budget each year, this workshop is for you! Join us for an interactive session</p>	<p><b>Matthew Johnson</b></p> 	<p><b>Matthew Johnson</b> has served as church administrator for Ridgecrest Baptist Church for the past 8 years and COO of a private Christian school beforehand. Matthew has a unique perspective of budgets and has turned the financial position of organizations to be more agile.</p>

assessments. Come share your experiences and challenges.

**Thursday, July 21 - General Session III — 8:15am – 10:15am**

**Keynote – The Rise of the Nones and the Future of American Religion**

In 1972, just 5% of Americans said that they had no religious affiliation. In 2022, that has risen to over 30%, with nearly 40% of Generation Z claiming no religion. In this data driven presentation, we will dig into the causes of religious disaffiliation in the United States, describe what the nones really look like from a social science perspective, and offer some advice about how churches can navigate a rapidly secularizing society.

**Dr. Ryan Burge**

**Ryan Burge** is an assistant professor of political science at Eastern Illinois University. He has published over thirty academic articles and book chapters on American religion and politics. He is also the author of *The Nones: Where They Came From, Who They Are, and Where They Are Going* (2021) and *20 Myths About Religion and Politics in America* (2022). In addition, he has served as a pastor in the American Baptist Church for nearly twenty years.

**Thursday, July 21 — C Workshops — 1:00pm – 2:45pm**

**C1 – Church & Bank Relations the Past 25 Years (CPE)**

Jeremy and Mike will share the evolution of church and bank relations over the past 25 years with details about how to ensure you’re getting the most from your financial services providers; along with tips, tricks, and pitfalls from having inside experience at banks, credit unions, and denominational lenders. You’ll walk away with new ideas, empowered for better stewardship of your financial resources.

**Jeremy Moore**

**Jeremy Moore** has been working with faith-based non-profits for twenty years. While working on an undergraduate degree from Lee University he joined the US Army Reserves. He has done graduate and post-graduate work at the Stanford GSB and Northwestern University’s Kellogg School. His background includes time as a financial advisor with Merrill Lynch before joining Regions Bank as senior vice president, where he did his first church construction financing before moving on to serve religious institutions exclusively, developing deep industry expertise as the national sales manager for ECCU. At Bank of the West, he manages the Religious Institution Banking Team, to continue to serve large communities of faith by supporting our nationwide team of specialists.

**Michael Boblit**

**Mike Boblit** has over 40 years’ experience in field sales, sales management, relationship management ,and consulting experience spanning various technology and financial services markets. Mike has held senior sales and executive sales management positions within the information management marketplace and financial services providers. While working for a leading financial services provider serving non-profits, Mike led the organization in business development helping to grow its loan portfolio from \$250M to over \$3B in a few short years.

**C02 – Retirement Plans for Multi-Site Churches (CPE)**

As your ministry or church grows, the administrative weight seems to increase along with it. However, this does not mean your retirement plan needs to grow in complexity along with it. Learn about the

**Bruce Bruinsma**

**Bruce Bruinsma**, a central figure in the "Retirement Reformation" movement, has been successfully providing retirement plans to those in ministry for over 25 years. As CEO and Founder of Envoy Financial, Bruce is passionate about helping others financially prepare for their later years, so they have the freedom to apply a life’s worth of talent and

<p>benefits available for multi-site churches, denominations, associations, and fellowships. For over 25 years, Envoy Financial has helped large ministry organizations and churches set up streamlined plans that create greater value for all members.</p>		<p>experiences to God's Kingdom. He has more than 40 years of professional experience in retirement planning and finance.</p>
<p><b>C03 (E)– Facilities Serving the Community</b>                      Frequently a church’s mission goes beyond the congregation as they explore ways to serve their community. Learn how three churches identified needs in their communities each was uniquely equipped to meet and how each intentionally designed facilities to fulfill their mission while meeting those needs. One case study highlights a church that built a community center in a vacant retail center with exam rooms, a training kitchen, education classrooms, and a healthy food pantry.</p>	<p><b>Jacquelyn Block</b>                      AIA, LEED</p>  <p><b>Michael Lehr</b></p> 	<p><b>Jacquelyn Block</b> is the GFF Architects Church Works Studio director and has over 15 years of experience working with church and educational clients. Jacquelyn collaborates closely with her clients in the initial programming and planning phase to identify key strategies to create facilities that support her clients’ missions in innovative and creative ways. Her passion is not just about great buildings, but also about developing strong and trusting relationships with her clients.</p> <p><b>Michael Lehr</b> is an associate and senior project leader in the GFF Architects Church Works Studio. Mike has over 20 years of experience working with church clients and manages projects from initial feasibility studies and master planning through construction administration. He is passionate about helping churches meet their ministry goals through well-designed facilities. Mike builds strong client relationships and has an intimate knowledge of working with building committees and church staff.</p>
<p><b>C04 (E) – Cyber Security Myths Churches (CPE)</b>                      Cybersecurity attacks and breaches are real threats for churches, and we’re only seeing them increase in frequency as technology becomes increasingly integrated into our lives. Being prepared and having a plan is the best way to combat a cybersecurity attack. Learn some common misconceptions, as well as how to prevent and respond to a cybersecurity attack.</p>	<p><b>Travis Phipps</b></p> 	<p><b>Travis Phipps</b> is the director of technology at Enable Ministry Partners. He helps manage Enable’s team of engineers and collaborates closely with them to oversee Enable’s technology strategy and direction for all clients. Travis is a preacher’s kid who tells everyone that he loves doing what God clearly built him to do. He has a business degree from the University of Texas at Dallas and lives in Wylie, TX, with his wife and kids.</p>
<p><b>C05 *Information Technology – Part 1 (CPE)</b>                      Church administrators wear many hats, and one that is important and, often, puzzling is oversight of Information Technology. We’ll look at these foundational issues to help you make strategically wise IT decisions: Current Networking Technologies, Making Wise Hardware &amp; Software Purchases, IT Staffing, System &amp; Data Security, and Disaster Recovery.</p>	<p><b>Jonathan Smith</b></p> 	<p><b>Jonathan Smith</b> has been the director of technology for Faith Ministries since 2001. Jonathan oversees all technology at Faith’s multiple campuses. His responsibilities include financial planning and budgeting, network administration, technology team management, IT support and audio/visual team oversight. In addition to his role at Faith, Jonathan is also the president of MBS, Inc. MBS provide technology services exclusively for churches and ministries. He is also an author and frequent conference speaker.</p>

Workshop Number , Title , and Description	Speaker	Biography
<p><b>C06 – Culture Eats Strategy for Breakfast</b>                      We will discover the 5 key components of a results driven culture. Culture is developed by design, not by accident. We will learn how to design and implement a culture that will produce the necessary behaviors that lead to team cohesion and desire results.</p>	<p><b>Michael Mirau</b>  </p>	<p><b>Michael Mirau</b> is founder of ProActive Leadership Group, a global coaching company that helps organizations get healthy and scalable. He is recognized as one of the top business coaches in the world. Mr. Mirau is also the author of <i>The Real Power of Leadership and Influence</i>. He has been quoted in <i>USA Today</i> and the <i>Wall Street Journal</i> and speaks regularly around the world on the topics of organizational health, performance, and scalability.</p>
<p><b>C07 – Why Bylaws &amp; Other Governance Questions (CPE)</b>                      This session addresses why church administrators must focus on governance policies and procedures. Without qualifying governance documents, the church is not exempt from most taxes. Failing to follow governance documents can mean liability for breach of fiduciary duty. Good governance documents reduce risks and allow better stewardship. You will learn how nonprofit corporation statutes apply to your church’s governance.</p>	<p><b>Frank Sommerville</b>                      JD, MPA, CPA  </p>	<p><b>Frank Sommerville</b> is a shareholder in the law firm of Weycer, Kaplan, Pulaski &amp; Zuber, PC, in Houston and Dallas, Texas. He holds a license as a Certified Public Accountant and is also board certified in tax law by the Texas Board of Legal Specialization. He has served nonprofit institutions of all sizes as a bookkeeper, accountant, auditor, tax advisor and advocate, litigator, and legal advisor. He regularly assists churches in preventing litigation.</p>
<p><b>C08 – Vision Based Financial Reporting (CPE)</b>                      PSK will be discussing trends and best practices related to financial reporting. As church administrators, we need to give our leaders financial information that is timely and reliable and allows the church to measure itself against goals. We will cover chart of accounts design, financial reporting format, and fiscal year considerations.</p>	<p><b>Bryan Baughman</b> CPA  </p>	<p><b>Bryan Baughman</b> is a CPA and Audit Partner at PSK with 19 years of experience in public accounting. Bryan’s areas of focus includes auditing and consulting with nonprofit organizations, specifically churches and ministry organizations. Bryan is passionate about his work and takes pride in establishing strong relationships with clients. Bryan’s clients benefit from his patience, technical knowledge, and strong desire to make a helpful impact by delivering useful solutions.</p>
<p><b>C09 – Close the Gaps that Lead to Fraud (CPE)</b>                      Protecting your organization against fraud is not an issue that can be handled in one meeting. Fraud begins with an opportunity, and your ministry is not immune. There could be critical gaps in your financial operations that you can readily identify to minimize risk. Your ministry needs to be mindful of the gaps in your financial operations through checklists, protocols, and technology and create measurable goals and objectives to mitigate any potential for fraud.</p>	<p><b>Ken Tan</b>                      CPA, CFE, CGMA  </p>	<p><b>Ken Tan</b> serves as partner at CapinCrouse, a national CPA and consulting firm dedicated to serving churches and other nonprofit organizations. Ken has more than 11 years of public accounting and large nonprofit experience, providing both advisory and assurance services to various nonprofit entities, churches, and mission organizations.</p>

**Thursday, July 21 — D Workshops — 3:45pm – 5:30pm**

<p><b>D01 (E) – Leading Spiritually through a Project</b>                  We will discuss ways to raise new leaders, raise new stewards, raise expectations for ministry opportunities. Most importantly we will discuss how you can lead your church to have eternal impact on hundreds of lives during the entire journey of dreaming, designing, and constructing your next project! You'll learn practical and tangible ways to increase prayer, increase stewardship, minister to workers and contractors, and involve the entire congregation throughout the project spiritually.</p>	<p><b>Rodney James</b></p> 	<p><b>Rodney James</b> was raised building with his father. God called him from the corporate world to full-time ministry where he served as church administrator and later senior pastor for 20 years. Having led his church through three major projects, and helped over 150 churches design ministry facilities, Rodney understands the full process from discovering need, designing, and building ministry related projects. Rodney has a gift and passion to educate churches and lead them through on-budget projects.</p>

<p><b>D02 (E) – Top 10 Issues Found in Church Audits (CPE)</b>                  A smooth church audit is the result of clear processes and financial best practices – but internal controls are often lacking. Bill Sims, CPA, will present a “Top 10” list of the most common management comments made in church financial audits, along with how church administrators can proactively address these issues. Attendees will learn the underlying causes of these common mistakes, their potential impact, and recommended solutions for each one.</p>	<p><b>Bill Sims, CPA</b></p> 	<p><b>Bill Sims</b> helps churches and faith-based nonprofits fulfill their mission and expand their efforts. As CEO and Partner of SST Accountants &amp; Consultants, Bill leads a team of experts who understand church administrators’ unique accounting, tax, and operational needs. Bill has more than 40 years of experience and was named “CPA of the Year” by TXCPA Dallas in 2021 for his leadership and professional contributions. Bill joined SST in 1995.</p>
---	--	--

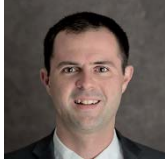

<p><b>D03 (E) – Stewarding Your Ministry Benefits (CPE)</b>                  Choosing a benefit strategy that fits your ministry, comes with many choices, but we belong to a higher Kingdom calling to steward our resources and people well. Learn and apply out-of-the-box ministry benefit strategies.</p>	<p><b>Art Tennille</b></p> 	<p><b>Art Tennille</b> is GuideStone’s Regional Relationship Manager based in Nashville, Tennessee. He joined GuideStone in 2020 after almost two decades of ministry to churches and individuals through various leadership roles at LifeWay. Art is a trusted mentor and servant leader who loves helping ministries and their teams steward their financial resources well and prepare wisely for their financial outcomes in retirement. He thrives on helping people see the practical steps they can take to positively impact their futures.</p>

	<p><b>Jordan Puskos</b></p> 	<p><b>Jordan Puskos</b> is an experienced insurance professional who is dedicated to meeting your organization's benefit needs. From helping craft a plan that is right for you to providing continued administrator support, she is committed to building a lasting relationship with your ministry. Jordan has served at GuideStone® since 2010 and has a bachelor's degree from Texas A&amp;M University. In addition to helping clients, Jordan plays an active role in her church and community</p>
<p><b>D04 (E) – Office Productivity Tools and Tricks</b> Did you know that Microsoft 365 includes world-class productivity tools and is available to churches at no monthly cost? Enable provides an overview of many tools that are included in Microsoft 365, while giving practical applications in a church setting. Learn how these tools can make your life easier, aid your team's workflow, and strengthen your ministry.</p>	<p><b>Melody Parlett</b></p> 	<p><b>Melody Parlett</b> is a managing director at Enable Ministry Partners. She is passionate about equipping church leaders with the tools and knowledge they need to do the work God has called them to do. Melody has a master's in non-profit administration and many years of church staff experience, overseeing operations and special events for children's ministry. She loves playing board games with her son.</p>
<p><b>D05 –*Information Technology – Part 2 (CPE)</b> Church administrators wear many hats, and one that is important and, often, puzzling is oversight of Information Technology. We'll look at these foundational issues to help you make strategically wise IT decisions: Embracing the Cloud, Mobile Device &amp; App, Management, BYOD (Bring Your Own Device) and What's Hot &amp; What's Not.</p>	<p><b>Jonathan Smith</b></p> 	<p><b>Jonathan Smith</b> has been the director of technology for Faith Ministries since 2001. Jonathan oversees all technology at Faith's multiple campuses. His responsibilities include financial planning and budgeting, network administration, technology team management, IT support and audio/visual team oversight. In addition to his role at Faith, Jonathan is also the president of MBS, Inc. MBS provide technology services exclusively for churches and ministries. He is also an author and frequent conference speaker.</p>
<p><b>D06 – Busting Myths about American Religion</b> There are lots of things that people believe about American religion that are based on partial information or incomplete data. Using a variety of surveys, Ryan Burge tries to debunk several beliefs that Americans have about religion. Those topics include evangelicalism is in decline, people become more religious as they age, the growth of the nones is largely from people leaving church, and college leads young people away from religion.</p>	<p><b>Dr. Ryan Burge</b></p> 	<p>Ryan Burge is an assistant professor of political science at Eastern Illinois University. He has published over thirty academic articles and book chapters on American religion and politics. He is also the author of <i>The Nones: Where They Came From, Who They Are, and Where They Are Going</i> (2021) and <i>20 Myths About Religion and Politics in America</i> (2022). In addition, he has served as a pastor in the American Baptist Church for nearly twenty years.</p>

<p><b>D07- Fringe Benefits: Dreams or Nightmares (CPE)</b>                      Fringe benefits are always intended to benefit employees and increase their satisfaction with their jobs. However, incorrectly handled, fringe benefit plans can create unintended tax consequences that cause more financial burdens for both churches and employees. We will review various forms of benefit plans and discuss common ways plans fail to provide “benefits” and end up creating “burdens.”</p>	<p><b>Elaine L. Sommerville, CPA</b></p> 	<p><b>Elaine L. Sommerville</b> is licensed as a certified public accountant by the State of Texas. She is a regular speaker for the Texas Society of CPAs, The Church Network, the Houston Church Coop, and is an instructor for the AICPA. She serves as an editorial advisor for Christianity Today’s Church Law and Tax Team and authored <i>Church Compensation – From Strategic Plan to Compliance 2<sup>nd</sup> Edition</i> (Christianity Today 2021.)</p>
<p><b>D08(E) – Virtual Ministry Beyond Broadcasting</b>                      Now is the moment to reshape your church’s online worship experience. Broadcasting livestreams of services is no longer enough. More than streaming, Vanco Live brings worship, connection, participation and giving into a single virtual ministry tool. Join Abby to see how complete online worship can feel. This interactive session is for any church leader looking for the most inclusive and convenient ways to bring streaming, eGiving, storytelling and more to their church’s online worship offerings.</p>	<p><b>Abby Thompson</b></p> 	<p><b>Abby Thompson</b> is Vanco’s director of marketing. Abby has experience understanding churches’ needs and helping them embrace new ways to have their message resonate with members – no matter where their members are. Abby works with churches to provide them with the tools they need to succeed even as the way churchgoers worship changes.</p>
<p><b>D09- Churches &amp; Politics: What’s Allowed</b>                      The mid-term election season is upon us. For years, many church leaders have felt great uncertainty about how much or how little they can engage in election-related activities without jeopardizing their churches’ tax-exempt statuses. This workshop will help leaders sort out the legal and tax considerations involved with political activities, all with the goal of helping them understand what is allowed, what isn’t, and how they can best guide their congregations this fall—and beyond.</p>	<p><b>Matthew Branaugh</b></p> 	<p><b>Matthew Branaugh</b> is an attorney who has served as the content editor for <i>Christianity Today’s Church Law &amp; Tax</i> since 2008. He regularly writes and edits articles and e-newsletters and hosts webinars for ChurchLawAndTax.com. He also has written and edited numerous books, eBooks, and other resources offered through ChurchLawAndTaxStore.com. In 2015, he received first place from the Evangelical Press Association for his article, “How Churches Spend Their Money.”</p>

<p><b>E01 (E) – Improving the Impact of Broadcasting</b>                      This workshop will tackle issues that get in the way of creating great video for broadcast and streaming. We will discuss creating intimate and dynamic worship experiences through video starts with an understanding of how we see ministry. You will increase understanding of lighting and platform layout and provide insight into how to have the maximum impact in each service. Donnie will explain how to use the latest technology and innovative techniques to create a worship friendly video environment to apply to any type of worship environment.</p>	<p><b>Donnie Haulk</b></p> 	<p><b>Donnie Haulk</b> is CEO of AE Global Media and founded in 1989. Donnie leads the AE Global development of campus-wide technology systems for ministries, churches, and businesses worldwide. Over three million people experience live worship on production systems each Sunday designed and installed by AE, and millions more via broadcast and streaming technology. Donnie is a technology architect, a pioneer in performance acoustics, musician and published author, his drive is to inspire people through innovative design and communication.</p>
<p><b>E02 (E) – Recent Developments Impacting Your Ministry</b>                      Much has changed over the last 12 months, in this environment it is critical to stay current on legal, tax, and financial trends impacting your ministry. This session will focus on the latest developments from Capitol Hill, the courts, and beyond. Consider how your ministry should respond to the latest developments. Cut through the confusion to understand what is really happening on Capitol Hill and in the Courts. Learn from some of ECFA’s most recent research that impacts your ministry.</p>	<p><b>Nicole Wallenfelsz</b>                      CPA</p> 	<p><b>Nicole Wallenfelsz</b> joined the ECFA team in 2015 and currently serves as compliance team lead utilizing her background as a CPA. Nicole came to ECFA after earning her MBA and serving in higher education. She works with nonprofits and churches through the application and annual renewal process. Her passion is to come alongside ministries to encourage best practices and equip them to steward the resources trusted to them.</p>
<p><b>E03 (E) – The Contribution Conundrum (CPE)</b>                      What happens when your “plan” for monthly contributions, often determined months in advance, does not meet expectations due to an unexpected downturn in giving? During this session we are going to explore how church leaders can use “predictive” analysis to better understand their congregants’ potential for giving. In addition, we will challenge status quo and explore options that produce more reliable contribution budgeting.</p>	<p><b>Tammy Bunting</b></p> 	<p><b>Tammy Bunting</b>, chief revenue officer at Martus Solutions, develops and implements growth strategies. With over thirty years of experience in accounting, business management, and operations in both the for-profit and nonprofit sectors, she has impacted a myriad of organizations. Her big-picture thinking has been instrumental in creating transformative business plans and financial models. You often hear Tammy saying, “there has to be a better way!”</p>
