

Professional Journal tcn MAGAZINE

TCN PROFESSIONAL JOURNAL

TCN Professional Journal (formerly *InSIGHT*) is a magazine published twice annually featuring sound, practical material written to support the work of church administrative leaders. It is published by The Church Network, a nationwide network of church leaders which exists to train, certify (CCA), and provide resources for those serving in the field of church administration.

WHO READS

TCN PROFESSIONAL JOURNAL?

The Church Network (TCN) offers advertising space in *TCN Professional Journal* to companies having special interest in reaching the church market. Through this Journal, you can reach a highly specialized audience of more than 2,000 church leaders responsible for the purchasing decisions in local churches and religious institutions of all denominations in all 50 states, the District of Columbia, and Canada. It is a significant advertising opportunity for your company.

PRODUCTION GUIDELINES

PRINTING

Advertising is required in digital form because *TCN PROFESSIONAL JOURNAL* is paginated digitally and output through computer-to-plate technology directly to offset printing plates. If your ad is not available in digital form, please contact TCN for an estimate to recreate the ad.

GUIDELINES FOR DIGITAL ADVERTISING

File should be submitted as a **Adobe Acrobat** (pdf) file. Include all fonts to avoid unexpected font conflicts, especially if your fonts have custom kerning or tracking tables. When preparing pdf files, please remember the following: convert all photographs and all colors to cmyk colors rather than rgb. In addition, embed all fonts, and be sure to include one-eighth-inch bleeds (if the ad bleeds) and crop marks. Do not mix postscript and truetype fonts. All linked artwork such as charts or graphs, logos, or photographs must be included with ads in order to output properly at high resolution. Please provide a print of the advertising for reference.

DELIVERY

Ads can be sent via email to PatHardesty@me.com. All files should be compressed into a single self-extracting archive, and should not exceed 10mb for one file (after encoding for the Internet). When sending application files for ads by email, please include a pdf file for reference.

To upload advertising very large files, contact the editor, Phill Martin, at phill@thechurchnetwork.com.
