Florida: cost is \$0 we are absorbing the cost of the mtg in Florida due to the high cost of hotel rooms. Frank Sommerville will be sharing with the group on Friday. We will feed you lunches both days and Thursday evening dinner. The only other expenses are your travel and hotel.

Schedule:

Meetings begin Thursday morning at 8:30 and conclude by 2pm on Friday.

Meeting format?

The meeting will be a round table discussion group with topics submitted, in advance, by those in attendance. Bring your questions, information, and share experiences from your church or current project.

Discussion topics?

An online survey will be sent out to find discussion topics. Previous topics have included audits, computers, pivot tables, executive reporting, insurance, software, and information technology.

How many will be there?

Generally between 20 and 50 per session per meeting. The idea is to keep it small enough to have great conversation and get to know each other better.

CEU's will be offered

The Church Network will offer 1.5 CEU's for those who are working toward a CCA certification or recertification for attending both days.
