

METRO NETWORK REGIONAL MEETINGS SPRING 2019

Registration is open for spring regional meetings

Past attendees have said these meetings are the best learning environment they have attended in years. If you have never participated, plan now to join the fun and network with fellow administrators, share successes and challenges, see how other churches are organized and make new friends who you can call on throughout the year.

Most who attend are in churches with avg weekly attendance of over 2000

Meeting format?

Topic lead discussions Bring your questions and share experiences from your church

Guest speakers?

We are excited to have BOTH Frank & Elaine Sommerville to talk about all things Human Resources & legal. Nick Nicholaou & Jonathan Smith will be talking about ChMS systems as well

How many will be there?

Generally between 20 and 50 per session per meeting. The idea is to keep it small enough to have great conversation and get to know each other better.

CEU's will be offered

The Church Network will offer 1.5 CEU's for those who are working toward a CCA certification or recertification for attending both days.

Group sizes?

The east coast meeting has around 50 and the west coast meeting has about 25 but it varies year to year
